A screenshot of the Zenodo website's login interface. The browser address bar shows 'zenodo.org'. The page has a blue gradient background with the 'zenodo' logo at the top center. A white login box in the center contains the text 'Log in to account'. Below this are two buttons: 'Log in with GitHub' and 'Log in with ORCID'. A separator '— OR —' follows. Then there are input fields for 'Email Address' and 'Password', each with a small icon on the right. A blue 'Log In' button is below the password field. At the bottom of the white box, it says 'New to Zenodo? Sign Up' with a link to 'Privacy notice'. Below the white box, there is a link for 'Forgot password?'.

PyTorch 2.0 stack support We are very excited by the newly announced PyTorch 2.0 stack. You can enable torch.compile on any of our models, and get support with the Trainer (and in all our PyTorch examples) by using the torchdynamo training argument. For instance, just add --torchdynamo inductor.

A screenshot of the ORCID.org website's sign-in page. The browser address bar shows 'orcid.org'. The page header includes the ORCID logo, the tagline 'Connecting research and researchers', a search bar, and a language dropdown set to 'English'. A navigation menu contains links for 'ABOUT', 'FOR RESEARCHERS', 'MEMBERSHIP', 'DOCUMENTATION', 'RESOURCES', and 'NEWS & EVENTS'. The main content area is titled 'Sign in' and contains a form with two input fields: 'Email or 16-digit ORCID ID' (with a placeholder 'example@email.com or 0000-0001-2345-6789') and 'Password'. Below these fields is a blue 'SIGN IN' button. Underneath the button are links for 'Forgot your password or ORCID ID?' and 'Don't have an ORCID ID yet? Register now'. A horizontal line with the word 'or' follows. At the bottom of the form are three buttons: 'Access through your institution' (with a building icon), 'Sign in with Google' (with the Google logo), and 'Sign in with Facebook' (with the Facebook logo). A 'Help' button is located in the bottom right corner of the page.

- Names:**
 - Published name: **Cassandra D Gould van Praag**
 - Name: Cassandra Gould van Praag
 - Also known as: Cassandra Gould, Cassandra D Gould, Cassandra Gould van Praag
- Biography:**

I work to generate opportunities for the research community to actively participate in and contribute to open science infrastructure at the Wellcome Centre for Integrative Neuroimaging (WIN), University of Oxford. I work between departments and alongside partners in other institutions to develop policies and recommendations for good governance around open science that work for individual facilities, across departmental boundaries within medical sciences, and beyond into the wider University, National and International networks.

I have a PhD in Informatics, MSc in Cognitive Neuroscience and BSc in Human Biology, I have 10 years of neuroimaging (fMRI) research experience. I was Co-Chair of the Open Science Room 2020, and have spoken about open science and inclusivity at a number of national and international meetings. I am an active contributor to a number of open community tools, including Open Research Calendar, the COBIDAS Checklist and The Turing Way.
